

Indoor Absorbent

139 BOULEVARD™

Category Information

Unique wave pattern runs across the mat, ensuring an optimal scrape-cleaning effect on soles in upscale entrance ways.

Densely tufted dual yarns construction hides unsightly soil between cleanings.

A dense heavyweight vinyl backing ensures longevity and minimum movement.

Colours correspond and can be used together as a scrape & dry matting system with art.138 Uptown (page 6-7) matting system.

Recommended use:

- Suitable for heavy traffic conditions
- For placement inside entrances in offices, hotels, banks, professional buildings, restaurants, department stores.

Specifications:

- Loop pile carpet densely tufted in a wave pattern of alternating Decalor's yarns wrapped with a tough polypropylene monofilament yarn.
- 1270 grams of dual yarns per m².
- Backing: black vinyl (DOP free).
- Overall thickness: 8,5 mm.
- Weight: 4,6 kg per m².
- Fire retardancy: ASTM D2859 passes DOC-FF-1-70.

Cleaning Tip:

Vacuum or use extraction method to clean.
