

## Indoor Absorbent

### 190 BRILLIANTSTEP™

#### Category Information

This high quality multi-functional dust control mat not only cleans and dries shoes, to prevent dirt and moisture getting tracked in to facilities, it also provides an excellent opportunity to promote a brand or company name because most people primarily look to the floor.

Superior colours fastness is ensured, in accordance with DIN54006. 16 standard PMS colours are offered, whereby any other colour can be matched.

BrilliantStep™ offers a state-of-the-art technology that even allows 3-dimensional effects, fine lines and colour shading, for each mat to have its truly individual image.

Backing is oil/grease resistant. Cleated pattern minimizes movement on all surfaces and keeps mat elevated on hard floors to allow drying underneath.

**Lead time is only 1 week after artwork approval is given!**

#### Recommended use:

- Suitable for medium traffic conditions.
- For placement inside entrances of hotels, shops, department stores, schools, universities, restaurants, supermarkets.
