

Indoor Absorbent

137 OPERA™

Category Information

A Notrax® exclusive: the first of its kind 3 mat system in one beautiful mat design.

Based on the principle "the longer the mat, the better the result", this mat is only available in three large sizes, each consisting of three zones:

Zone 1: aggressively scrapes heavy debris off shoe soles.

Zone 2: combines scraping and drying in a stripes pattern that follows the flow of traffic.

Zone 3: completes the drying process.

Low profile allows foot and wheel traffic to traverse easily.

A dense heavyweight vinyl backing ensures longevity and minimum movement.

Colours of borders match carpet tops.

Recommended use:

- Suitable for medium to heavy traffic conditions.
- For placement inside entrances in offices, hotels, banks, professional buildings schools, universities, restaurants, department stores.

Specifications:

- Loop pile carpet of tough polypropylene grass yarns and soft Decalon® yarns, tightly tufted in attractive design consisting of 3 different zones.
- 800 grams of dual yarns per m².
- Backing: vinyl (DOP free).
- Overall thickness: 8 mm.
- Weight: 4 kg per m².
- Fire retardancy: ASTM D2859 passes DOC-FF-1-70.

Cleaning Tip:

Vacuum clean.
